**Division of HIV/AIDS Prevention  
Publications  
2009**

**Names in bold are those of staff or full-time on-site contractors in DHAP whose published affiliation includes (at a minimum) CDC (preferably the published affiliation of a staff member or a contractor specifies the Division of HIV/AIDS Prevention). That is, if a contractor's published affiliation is only the name of the contracting company, that contractor's name is not bolded on this list.**

***Note. Please treat in-press entries as tentative: authors' affiliations and the title cannot be verified until the article is published.***
